

## *Glebe Road Connect Group*

Our faithful group have been meeting together on Tuesday afternoons at 2.00pm for many years and throughout the Covid pandemic we have continued to meet for our weekly meeting online, not the same as meeting face-to-face, but the best we can do at the moment.

We have used a variety of study guides, as well as study notes provided by those giving the Sermon at Holy Trinity or St. Guthlac's. We were greatly blessed whilst following Bishop Donald's Lent course on Hebrews during Lent this year. We all felt that he made the book of Hebrews come to life, and we all gained from our lively discussions, and the valuable contributions of our theologians.

Our group has actually grown during the pandemic and we are truly blessed by having a wide variety of Christian experience and knowledge.

We are really looking forward to meeting in person in the not too distant future, and to receiving the many blessings God has in store for us.

Barry Ratcliffe
